

Step-Through Frame City Bicycle with Basket

This women's bicycle features a step-through frame, making it easy to mount and dismount. It includes a front basket for carrying groceries or personal items.

Product Overview

Designed for Urban Comfort

This classic step-through city bicycle is engineered for effortless commuting and leisurely urban rides. Featuring a durable steel frame with an elegant white and light blue finish, it combines practical utility with stylish floral accents. The upright riding geometry ensures optimal posture and visibility, while the included front basket and full fenders provide convenience and protection for daily errands.
