

Step-Through Frame Electric Bicycle with Basket and Backrest

This electric bicycle is designed with a step-through frame for easy access. It includes a front basket for carrying items and a rear rack with a backrest for passenger comfort.

Overview

Designed for Comfort and Utility

This step-through frame electric bicycle is engineered for ease of use and versatility in urban environments. Featuring a low-frame design for effortless mounting and dismounting, it is ideal for daily commuting or errands. Equipped with a front basket and a rear rack with a backrest, it offers practical storage and passenger support, while the electric assistance system ensures a smooth and efficient ride.
