

Step-Through Frame Electric Bicycle with Basket and Fenders

This electric bicycle features a step-through frame for easy access, along with a front basket and rear rack for carrying items. Full fenders provide protection from road spray and debris.

Overview

Versatile Urban Mobility

This step-through frame electric bicycle is engineered for convenience and ease of use in urban environments. Featuring a low-step design, it allows riders to mount and dismount effortlessly, making it ideal for daily commuting or errands. Equipped with a front basket, rear rack, and full fenders, this bike combines practical storage solutions with essential protection against road debris.
