

Step-Through Frame Electric Bicycle with Basket and Rack

This electric bicycle features a step-through frame for easy access. It includes a front basket and rear rack for carrying items.

Overview

Designed for Utility and Comfort

This electric bicycle features an accessible step-through frame design, making it an ideal choice for urban commuting and daily utility. Equipped with both a front basket and a rear rack, it provides ample storage capacity for groceries or personal items. The inclusion of a padded seat and full fenders ensures rider comfort and protection in various weather conditions.
