

Step-Through Frame Electric Bicycle with Basket and Rack

This yellow electric bicycle features a step-through frame design for easy access. It includes a front basket for carrying items and a rear rack for additional storage, enhanced by an electric motor for assisted propulsion.

Product Overview

Urban Commuter Electric Bicycle

This yellow electric bicycle is designed with a convenient step-through frame, ensuring effortless mounting and dismounting for riders of all abilities. Equipped with both a front basket and a rear storage rack, it offers practical utility for daily urban commuting or leisurely errands. The integration of an electric motor with standard bicycle components provides reliable assisted propulsion for a smooth and efficient riding experience.
