

Step-Through Frame Electric Bicycle with Basket and Rack

This electric bicycle features a step-through frame for easy mounting and dismounting. It includes a front basket and rear rack for convenient storage while riding.

Overview

Urban Utility Electric Bicycle

This step-through electric bicycle is engineered for convenience and efficiency in urban environments. Featuring an accessible frame design, it allows for easy mounting and dismounting, making it ideal for daily commuting or errands. The integrated electric motor and battery system provide reliable pedal assistance, while the included front basket and rear storage rack offer practical utility for carrying essential items.
