

Step-Through Frame Electric Bicycle with Basket and Rack

This electric bicycle features a step-through frame for easy access and comfortable riding. It includes a front basket and rear rack for convenient storage and carrying of items.

Overview

Designed for Utility and Comfort

This step-through electric bicycle is engineered for convenience and daily utility, featuring an accessible frame design that allows for easy mounting and dismounting. Equipped with both a front basket and a rear rack, it provides ample storage capacity for commuting or light cargo transport. The integrated electric motor offers pedal assistance, making travel smoother and less strenuous for the rider.
