

# Step-Through Frame Electric Bicycle with Basket and Rack

This electric bicycle is designed with a step-through frame for easy access. It includes a front basket for carrying items and a rear rack for additional storage.

## Overview

### Designed for Urban Convenience

This electric bicycle features a user-friendly step-through frame, making it exceptionally easy to mount and dismount for riders of all ages. Equipped with both a front basket and a rear rack, it provides versatile storage solutions for daily errands or commuting. With a comfortable seat featuring a backrest and an integrated digital display, it combines practicality with essential rider feedback.
