

Step-Through Frame Electric Bicycle with Storage

This electric bicycle features a step-through frame for easy access. It includes a front basket and rear rack for carrying items.

Overview

Urban Utility Electric Bicycle

This electric bicycle is engineered for convenience and utility, featuring a step-through frame design that allows for effortless mounting and dismounting. Equipped with both a front basket and a rear storage rack, it offers practical cargo solutions for urban commuting or recreational errands. The integrated electric motor and battery system provide reliable pedal assistance, making it an efficient choice for daily transportation needs.
