

Step-Through Frame Electric Bicycle with Storage

This electric bicycle has a step-through frame for easy access. It includes a rear storage compartment and safety features like a headlight and mirrors.

Overview

Urban Commuter Solution

This electric bicycle is engineered for convenience and safety, featuring a user-friendly step-through frame design that allows for effortless mounting and dismounting. Equipped with a dedicated rear storage compartment, it is perfectly suited for daily commuting and carrying personal items. The vehicle integrates essential safety features including a front headlight, rearview mirrors, and protective side rails, making it a reliable and eco-friendly choice for urban navigation.
