

Step-Through Frame Electric Bicycle

This electric bicycle features a step-through frame for easy mounting and dismounting. It is equipped with a rear rack for carrying cargo and a comfortable saddle for a smooth ride.

Overview

Designed for Urban Mobility

This electric bicycle features a convenient step-through frame design, making it easy to mount and dismount for daily commuters. It is engineered for both urban commuting and leisure riding, offering a smooth experience with a comfortable saddle. Equipped with practical additions like a rear cargo rack, fenders, and a chain guard, it combines functionality with a classic, user-friendly aesthetic.
