

Step-Through Frame Electric City Bicycle

This electric bicycle features a step-through frame for easy access and integrated fenders for protection. Its integrated battery, disc brakes, and front light make it ideal for urban commuting.

Product Overview

Designed for Urban Commuting

This electric city bicycle features a user-friendly step-through frame, allowing for effortless mounting and dismounting. With its classic aesthetic, including brown tires and matching saddle and grips, it is perfectly suited for daily urban commuting or leisurely rides. The design prioritizes rider safety and comfort, featuring integrated fenders, reliable disc brakes, and a front light for enhanced visibility.
