

Step-Through Frame Gas Scooter

This is a gas scooter with a step-through frame. It has a luggage rack for carrying items.

Overview

Versatile Step-Through Gas Scooter

This robust gas-powered scooter features a convenient step-through frame design, making it highly accessible and easy to mount. Engineered for utility and comfort, it includes a practical rear luggage rack and a protective windscreen, ensuring a smooth ride across various terrains. Its reliable build, highlighted by silver alloy wheels and essential safety lighting, makes it an ideal choice for efficient short-distance transportation.
