

Step-Through Frame Motorcycle with Luggage Rack

This motorcycle features a step-through frame design, a single seat, and a rear luggage rack. It is equipped with a front headlight, rearview mirrors, and a silver exhaust pipe.

Overview

Versatile Step-Through Utility Motorcycle

This step-through frame motorcycle is engineered for efficient urban transport and utility tasks. Featuring a practical design that prioritizes ease of mounting and dismounting, it is well-suited for daily commuting and delivery operations. The integrated rear luggage rack provides essential cargo capacity, making it a reliable solution for professional logistics and personal mobility needs.
