

Step-Through Motorcycle with Front Basket

This is a step-through motorcycle suitable for urban commuting. It features a front basket, a rear luggage rack, and protective bars around the engine area.

Overview

Urban Commuter Step-Through Motorcycle

This versatile step-through motorcycle is engineered for efficient urban commuting and light utility tasks. Featuring a durable black frame with silver accents, it balances aesthetic appeal with practical functionality. The inclusion of a front basket and rear luggage rack provides essential cargo capacity, making it an ideal solution for delivery services or daily transport needs.
