

Stereo Foldable Over-Ear Headphones with Microphone

These stereo headphones feature a foldable design for portability. Equipped with high-quality drivers, they deliver clear and balanced sound.

Product Overview

Immersive Audio Experience

The LKT-B62 stereo headphones are engineered for high-fidelity audio performance in a convenient, foldable design. Featuring a closed-back, over-ear construction, these headphones provide excellent noise isolation and comfort for extended use. With a 40mm driver and versatile connectivity, they are an ideal choice for professional or personal audio applications.
