

Strobe Lamp with LCD Display

This strobe lamp includes an LCD display for easy monitoring. It supports both 120V and 230V power input.

Product Overview

Professional Strobe Lighting Solution

This strobe lamp is engineered for reliable performance in demanding environments. Featuring an integrated LCD display for precise control and monitoring, the unit supports versatile power inputs to accommodate various regional electrical standards. Its durable construction ensures longevity, making it an ideal choice for professional lighting applications.

Technical Specifications

Model Number	FT-3060
Supported Voltage	120V, 230V

Physical Attributes

Dimensions (L x W x H)	66 x 37 x 26 cm
Net Weight	12 kg
Gross Weight	13.5 kg

Packaging & Logistics

Pieces per Carton	40
