

Surface Mount Schuko Power Outlet with Shutter

This surface-mounted Schuko power outlet is equipped with a shutter for safety. With an IP44 rating, it is suitable for both indoor and outdoor installations.

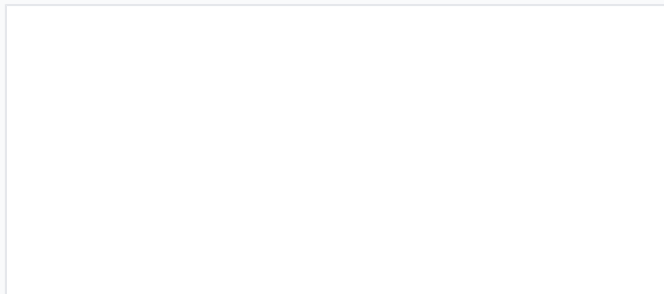

Product Overview

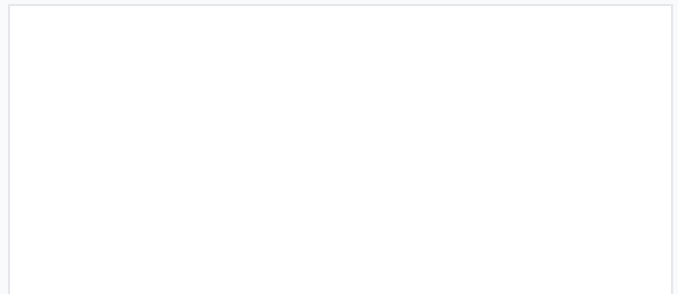

Professional Grade Surface-Mounted Outlet

This M44 series Schuko power outlet is designed for versatile use in both indoor and outdoor settings. Engineered with a robust 2mm thick housing, it features IP44-rated water protection and a tamper-resistant shutter system for enhanced safety. The modular design allows for flexible installation, making it an ideal choice for durable, weather-resistant electrical distribution.
