Product Overview

Professional T8 LED Batten Solution

The T8 LED Batten is a versatile linear lighting fixture engineered for general illumination in office, retail, and industrial environments. Featuring a durable polycarbonate (PC) construction, this fixture offers uniform light distribution and energy-efficient performance. It is available in various power configurations to suit specific brightness requirements while maintaining a simple, low-profile design for easy installation.

Technical Specifications

Input Voltage	100-250V / 175-250V
Housing Material	Polycarbonate (PC)

Model Variants

Model Specifications

Model	Power	Lumen	Dimensions (mm)
T8-B-60	12W	1200lm	565*31.2*35.6
T8-B-90	18W	1800lm	867*31.2*35.6
T8-B-120	24W	2400lm	1170*31.2*35.6
T8-B-120	28W	2800lm	1170*31.2*35.6

Key Features

Product Highlights	Energy-Efficient, Uniform Light Distribution, Easy Installation, Linear Design
