

# Table Saw with Adjustable Cutting Angles

This table saw is equipped with a 1000W motor and operates at 230V~/50Hz with a speed of 2950min-1. It allows for adjustable cutting angles from 0° to 45°.

## Overview

### Precision Table Saw

This versatile table saw is designed for efficiency and precision in woodworking tasks. Equipped with a reliable 1000W motor, it offers adjustable cutting angles from 0° to 45° to accommodate various project requirements. Compact and durable, it features a stable work surface and precise cutting depth capabilities, making it an ideal choice for professional workshops.

## Technical Specifications

### Motor Power

<b>1000 W</b> Motor Power	<b>2950 min-1</b> No-load Speed
------------------------------	------------------------------------

### Protection Rating

IP20

### Electrical Requirements

230V~/50Hz

## Cutting Performance

Max Cutting Depth (90°)	43 mm
Max Cutting Depth (45°)	18 mm
Blade Specifications	!205x !16x 2.5mm, 20z

## Dimensions and Weight

Table Dimensions	515 x 400 mm
Overall Dimensions	540 x 425 x 325 mm
Weight (Net/Gross)	14.4 / 15.9 kg

## Logistics

### Container Loading Capacity
