

Tabletop Hot and Cold Water Dispenser

This tabletop water dispenser offers both hot and cold water dispensing. It features indicator lights, a drip tray, and is designed for use with standard water bottles.

Product Overview

Compact Hydration Solution

This tabletop water dispenser is designed to provide convenient access to both hot and cold water in any setting. Its compact footprint makes it an ideal choice for office breakrooms, home kitchens, or small workspaces. Featuring intuitive indicator lights and a removable drip tray, this unit combines functionality with a space-saving design compatible with standard water bottles.
