

Tall Larder Refrigerator with Water Dispenser

This tall larder refrigerator features a stored water dispenser. It has a 13 cu.ft gross capacity and A Class Energy efficiency.

Product Overview

High-Capacity Larder Refrigerator

This tall larder refrigerator offers a generous 13 cu.ft gross capacity, making it an ideal storage solution for professional or high-volume residential environments. Designed with energy efficiency in mind, it features advanced cold wall technology and an integrated 2.2-liter stored water dispenser for added convenience. The interior is highly adaptable, including a dedicated chiller zone, a chrome wine rack, and multiple glass shelves to maximize organization.
