

Taxi Top Light with Yellow Dome

This taxi top light features a bright yellow dome with bold black 'TAXI' lettering. The unit is mounted on a white base and designed for durable outdoor use, clearly indicating taxi service availability.

Product Overview

Professional Taxi Roof Illumination

This taxi top light provides clear, highly visible identification for taxi services in urban environments. Featuring a classic yellow dome with bold TAXI lettering, it is designed for consistent outdoor use. The unit incorporates a durable base and high-visibility optics to ensure service availability is easily communicated to passengers.
