

Tea Color Pear Shaped LED Bulb E27

This tea-colored, pear-shaped LED bulb provides a warm and inviting ambiance. Its unique shape and tinted glass offer a vintage aesthetic combined with modern LED efficiency.

Product Overview

Vintage Aesthetic Meets LED Efficiency

This tea-colored, pear-shaped LED bulb combines a nostalgic vintage filament aesthetic with the modern energy efficiency of LED technology. Designed to provide a warm and inviting ambiance, it is an ideal choice for decorative lighting in upscale homes, boutique restaurants, and retail spaces. With a long operational lifespan and standard E27 base, this bulb offers a reliable and stylish solution for professional lighting upgrades.

Technical Specifications

Model	Lamp Type	Size	Wattage	Voltage	Base	Efficacy	Color	Ra	Life	Luminous
TPC85-2W	Tea Pear	D=85mm	2W	AC220V	E27	≥110lm/W	2700/6500K	>80	20000h	220lm
TPC85-4W	Tea Pear	D=85mm	4W	AC220V	E27	≥110lm/W	2700/6500K	>80	20000h	440lm
TPC95-2W	Tea Pear	D=95mm	2W	AC220V	E27	≥110lm/W	2700/6500K	>80	20000h	220lm
TPC95-4W	Tea Pear	D=95mm	4W	AC220V	E27	≥110lm/W	2700/6500K	>80	20000h	440lm
TPC125-4W	Tea Pear	D=125mm	4W	AC220V	E27	≥110lm/W	2700/6500K	>80	20000h	440lm
TPC125-6W	Tea Pear	D=125mm	6W	AC220V	E27	≥110lm/W	2700/6500K	>80	20000h	660lm

Technical layout and model comparison for the tea-colored pear series.

Model Specifications
