Product Overview

Professional Magnetic Retrieval Tool

This telescopic magnetic pickup tool is an essential device for retrieving ferrous metal objects from confined or hard-to-reach areas. Engineered with a durable stainless steel body, it offers high reliability for automotive, construction, and maintenance tasks. The adjustable handle ensures versatile reach, while the high-strength magnetic tip provides secure lifting of small metal parts.

Technical Specifications

Magnetic Lifting Capacity

7 kg

Maximum Load

Handle Length: 250mm - 750mm

Primary Material: Stainless Steel

Design Features

Handle Grip: Double-dipped black-red comfort grip

Recommended Applications: Automotive Repair, Construction, General Maintenance, DIY Projects
