

Textile Machinery Scraper Tool Set

This versatile scraper tool set is designed for removing residue from glass and other surfaces. The ergonomic handle provides a comfortable grip, while the replaceable blades ensure long-term usability.

Product Overview

Professional Textile Machinery Scraper Set

This versatile scraper tool set is expertly designed for the efficient removal of residues, adhesives, paint, and stubborn materials from delicate surfaces like glass. Featuring an ergonomic handle for operator comfort during prolonged use, the kit includes multiple replaceable blades to ensure consistent precision and long-term utility. It is an essential maintenance tool for ensuring machinery surfaces remain clean and free of obstruction.
