

# Three-Light Square Glass Pendant Chandelier

This contemporary chandelier features three square, glass-encased light fixtures. It is suspended from a horizontal bar connected to a rectangular ceiling mount via thin cables.

## Overview

### Modern Three-Light Glass Pendant

This contemporary three-light square glass pendant chandelier offers a minimalist aesthetic perfect for modern dining rooms or kitchen islands. Featuring a layered glass design with clear and colored elements, it provides warm-toned illumination through three G4 light sources. The fixtures are suspended from a sleek horizontal bar and rectangular ceiling mount, ensuring a clean and balanced presentation.
