

# Three-Speed Table Fan with Wire Cage

This table fan provides focused airflow for personal cooling. It features a three-speed control and a protective wire cage.

## Product Overview

### Compact and Reliable Cooling

This three-speed table fan is designed for efficient personal cooling in office or home environments. Featuring a durable wire safety cage and sturdy base, it combines safety with performance. The adjustable tilt head and horizontal oscillation ensure customizable airflow, while the reliable motor provides consistent cooling power.

## Technical Specifications

Model Number	FT-30
Power Consumption	40 W
Speed Settings	3

## Design & Construction

### Safety Features

- Wire safety grill
- Sturdy base

### Adjustability

- Adjustable tilt head
- Horizontal oscillation

Blade Material	Polypropylene (PP)
----------------	--------------------

## Certifications & Compliance

### Certifications

GS • CE • RoHS • SAA • cETLus

## Logistics

Packaging	Color box, 1pc/ctn
40' HQ Loading Capacity	2970 pcs
