

# Tile Cutting Machine

These tile cutting machines are designed for accurate and efficient tile processing. They are available in multiple models with varying power levels and blade diameters.

## Overview

### Professional Tile Cutting Solutions

These precision tile cutting machines are engineered for accurate and efficient tile processing in professional environments. The series offers multiple configurations with power outputs ranging from 450W to 800W to suit different operational requirements. Each unit features a standardized 180mm blade diameter, ensuring versatility across various tile cutting tasks.

## Technical Specifications

### Model Performance Data

Model	Power	Duty Cycle
TC180A	450W	S 30min
TC180A-1	600W	S 30min
TC180A-2	800W	S2 10min
TC180A-3	600W	S 10min
TC180B	450W	S 30min
TC180B-1	600W	S 30min
TC180B-2	800W	S 10min
TC180B-3	600W	S 10min

Blade Diameter	180 mm
Power Output Range	450W, 600W, 800W
