

# Tile Setter Hammer with Chisel Edge

This professional tile hammer is designed for precise cutting and shaping. It features a hardened steel head with a chisel edge for scoring and a flat striking face for breaking tiles.

## Product Overview

### Professional Tile Setter Hammer

This professional-grade tile hammer is engineered for precision in tile cutting and shaping tasks. It features a durable hardened steel head equipped with a chisel edge for accurate scoring and a flat face for clean breaking. The ergonomic wooden handle ensures a secure, comfortable grip, effectively reducing user fatigue during long hours of installation work.
