

Tilt TV Wall Mount Bracket for 23-37 inch Screens

This wall mounting bracket is designed for 23 to 37-inch LCD TVs. It features a tilt function and a ball design for flexible viewing angles.

Overview

Versatile Tilt & Swivel TV Wall Mount

This high-gauge cold rolled steel wall mount is designed for 23 to 37-inch screens, offering exceptional durability and flexibility. Featuring a unique ball design, it allows for smooth tilting, 180-degree swiveling, and full 360-degree rotation to achieve the perfect viewing angle. The integrated bubble level and universal hardware pack ensure a straightforward installation process for professional environments.
