

Tilting Flat Panel TV Wall Mount for 42-70 inch Screens

Ultra-slim profile keeps the TV just 48mm from the wall, complementing the sleek look of flat screens. A lateral shift feature allows users to slide the TV left to right for optimal viewing.

Product Overview

Professional Tilting TV Mount

This heavy-duty, ultra-slim tilting wall mount is engineered for flat and curved screens ranging from 42 to 70 inches. Designed with a low-profile 48mm depth, it provides a sleek, modern aesthetic while allowing for a $\pm 10^\circ$ tilt to eliminate screen glare and optimize viewing angles. Constructed from durable steel, this mount ensures safety and stability for TVs weighing up to 40kg, making it an ideal solution for living rooms, kitchens, or bedrooms.
