

Tilting TV Wall Mount for 32-55 inch Flat Screens

This ultra-slim TV wall mount sits only 30mm from the wall, complementing modern flat screen TVs. Its lateral shift feature allows for easy adjustment to achieve the perfect viewing angle.

Product Overview

Versatile Viewing Solution

This professional-grade tilting TV wall mount is engineered for screens ranging from 32 to 55 inches, offering a maximum load capacity of 30kg. Its ultra-slim 30mm profile ensures a sleek, modern look, while the -10° tilt functionality allows users to effectively reduce glare for an optimal viewing experience. Designed for safety and flexibility, this steel mount includes a lateral shift feature for precise positioning and integrated security locking mechanisms.
