

Tool Carts and Casters Assortment

This assortment features a variety of tool carts and casters. The tool carts come in designs such as wooden platform carts, heavy-duty carts, creeper carts, and service carts, while the casters are available in different sizes and mounting styles.

Product Overview

Versatile Mobility Solutions

This assortment offers a comprehensive range of tool carts and industrial casters designed to meet diverse material handling needs. The collection features various cart configurations, including wooden platforms, heavy-duty multi-wheel carts, low-profile creepers, and specialized service carts with circular or X-shaped frames. With a wide selection of caster sizes ranging from 2" to 6", this range provides flexible mobility options for workshops, warehouses, and industrial environments.

Caster Specifications

Available Caster Sizes	2 inch, 3 inch, 4 inch, 5 inch, 6 inch
