

Toolbox Style Display Freezer

This toolbox style display freezer offers a unique way to display and chill products. It features a digital control panel, glass door, and is mounted on wheels for mobility.

Product Overview

Industrial Toolbox Design

This toolbox-style display freezer offers a unique and durable aesthetic perfect for commercial beverage merchandising. Featuring a 50L capacity and a two-drawer configuration, it provides organized storage with manual temperature control between 0-10°C. Built for professional use, the unit includes 3-inch wheels for easy mobility and efficient compressor cooling technology.
