

Toolbox Style Display Freezer

This compact display freezer is designed to resemble a toolbox. It features a durable blue exterior, stainless steel worktop, transparent door, digital control panel, integrated speakers, bottle opener, and heavy-duty casters.

Overview

Professional Toolbox Style Display Fridge

This compact 50L display fridge features a unique toolbox-inspired design, making it an ideal cooling solution for workshops, garages, or themed retail environments. It offers reliable compressor-based cooling with manual temperature adjustment between 0-10°C. Designed for portability, the unit includes heavy-duty casters and a robust construction to ensure durability in professional settings.
