

Toolbox Style Display Freezer

This compact display freezer is designed in a toolbox style, providing a robust solution for showcasing frozen products. It features a transparent freezer compartment, pull-out drawers, and casters for easy mobility.

Overview

Compact Commercial Toolbox Freezer

This toolbox-style display freezer is a versatile solution for retail and commercial environments requiring compact storage and clear visibility. Engineered with an efficient compressor-based cooling system, it allows for manual temperature adjustment between 0-10°C to suit various storage needs. The unit features two convenient pull-out drawers and a durable exterior, supported by 3-inch wheels for easy mobility.

Technical Specifications

Cooling Performance

50 L Capacity	10 °C Max Temperature	82 W Input Power
-------------------------	---------------------------------	----------------------------

Electrical Requirements 110V/60Hz, 200-240V/50Hz

Daily Power Consumption 0.85 kW-h/24h

Dimensions & Logistics

Dimensions (W x D x H)

Component	Size (mm)
Product	435 x 515 x 745
Drawer A	380 x 245 x 185
Drawer B	380 x 380 x 225
Carton	550 x 615 x 820

Weight

25 kg Net Weight	30 kg Gross Weight
----------------------------	------------------------------

Container Load Capacity

- 20GP: 108 pcs
- 40GP: 152 pcs
- 40HQ: 228 pcs

General Information

Refrigerant	R134a (45g)
Climate Class	N
