

Top-Freezer Refrigerator with Floral Design

This refrigerator features a top freezer and a bottom refrigerator compartment. The exterior is decorated with a floral design featuring pink lotus flowers.

Product Overview

Elegant Floral Design Refrigerator

This top-freezer refrigerator combines essential cooling functionality with a unique aesthetic appeal, featuring a sophisticated pink lotus floral pattern. Designed for household convenience, it offers a standard layout with an accessible freezer compartment on top and a spacious refrigeration section below. It is an ideal choice for buyers looking to add a decorative yet practical element to modern residential or commercial interior spaces.
