

Top-Freezer Refrigerator with Floral Design

This refrigerator features a top freezer compartment and a bottom refrigerator section. The exterior showcases a vibrant red finish with a delicate floral pattern.

Product Overview

Aesthetic Performance

This top-freezer refrigerator combines essential cooling functionality with a striking visual design. Featuring a vibrant red finish adorned with delicate floral motifs, it serves as a sophisticated focal point in any modern kitchen environment. Its two-door configuration offers a traditional, user-friendly layout for effective organization of both fresh and frozen goods.
