

Top-Freezer Refrigerator with Floral Design

This refrigerator features a top-freezer configuration for convenient storage. It is designed with a slim profile and adorned with a light blue floral pattern.

Product Overview

Elegant Efficiency

This top-freezer refrigerator combines reliable cooling performance with a distinct aesthetic. Featuring a slim profile and a unique floral-patterned exterior, it is designed to fit seamlessly into modern living spaces. The intuitive digital display at the top allows for effortless temperature control, ensuring optimal food preservation.
