

Top-Freezer Refrigerator

This is a top-freezer refrigerator designed for residential use. It features a two-door configuration with the freezer compartment located above the main refrigerator section and adjustable leveling feet.

Product Overview

Reliable Top-Freezer Design

This freestanding top-freezer refrigerator is engineered for efficient cold storage in residential settings. Its classic two-door configuration places the freezer compartment conveniently above the refrigerator section for easy access. Designed with a clean white finish and adjustable leveling feet, this unit offers a straightforward, dependable solution for daily food preservation needs.
