Product Overview

High-Efficiency Chest Freezer

This top-loading chest freezer offers a versatile storage solution with a 325-liter capacity, designed to meet diverse commercial and home needs. Featuring advanced fast-freeze technology and an anti-bacterial interior, it ensures food is preserved efficiently while maintaining optimal hygiene. Its robust construction includes energy-efficient components and a user-friendly design, making it a reliable choice for long-term frozen storage.

Technical Specifications

Capacity

325 L

Capacity

11.5 cu.ft

Capacity

Power & Refrigeration

- Voltage: 220-240V/50Hz, 110V/60Hz
- Refrigerant: R134a, R600a

Model Number

BD/BC-325QE

Packing Dimensions

1220 x 709 x 880 mm

Logistics

Shipping & MOQ

Metric	Value
Loading Capacity (40HQ)	84 PCS
Minimum Order Quantity	1x40HQ

Key Features

Design & Usability

- Optimized internal space via concentrated foaming
- Lockable lid for security
- Integrated mobility wheels
- Customizable exterior colors

Performance Features

Fast Freeze Technology, Anti-bacterial Interior, Energy Efficient, Low Noise Operation, Easy Clean Coating
