

Top-Loading Washing and Drying Machine

This top-loading machine combines washing and drying capabilities. It is designed for household use and features a transparent lid.

Product Overview

Efficiency Meets Convenience

This top-loading washing and drying machine is designed for seamless integration into residential spaces. The unit features a modern, compact rectangular design with an intuitive top-mounted control panel for ease of use. Equipped with a durable transparent green lid, it allows for clear visibility during the wash and dry cycles.
