

Top-Mount Refrigerator with Floral Design

This top-mount refrigerator features a split door configuration. The appliance separates the freezer compartment at the top from the refrigerator section below.

Overview

Elegant Design Meets Functionality

This top-mount refrigerator combines practical cooling performance with a distinct aesthetic, featuring an eye-catching maroon floral design on its front panels. The split-door configuration provides convenient access to both the freezer and refrigerator compartments, making it an efficient choice for modern kitchen environments. With its durable construction and unique visual appeal, this appliance serves as both a functional tool and a stylish centerpiece.
