Premium Strut Mount for Audi A3

This top strut mount is precision-engineered to provide a secure and stable connection between the strut assembly and the vehicle chassis. Crafted from high-quality steel and natural rubber, it effectively isolates vibrations and reduces road noise to enhance overall driving comfort and stability. Its design features an electrophoretic coating for superior corrosion resistance and a long service life.

Technical Specifications

Durable metal construction with high-performance rubber damping.

Key Features

- Resolve jitters
- Improve comfort
- Improve stability
- Original location installation

Material	Metal with Rubber
Fitment Type	Direct Replacement
Quality Standards	ISO, IATF 16949:2016
