

Trailer Jack with Swivel Casters

Heavy-duty trailer jack equipped with swivel caster wheels for easy maneuvering. It features durable steel construction with a corrosion-resistant finish and adjustable height.

Overview

Heavy-Duty Trailer Jack

This heavy-duty trailer jack is engineered for reliability and ease of use in demanding environments. Equipped with smooth-rolling swivel caster wheels, it allows for effortless maneuvering of trailers and equipment. Its robust steel construction and corrosion-resistant finish ensure long-lasting durability, making it an ideal solution for agricultural and construction applications.

Technical Specifications

Material	Steel
Finish	Corrosion-resistant

Features

Key Features
