

Tree Stump Pen Holder with Plush Toy

This decorative pen holder resembles a tree stump and is crafted from resin. A small plush toy sits at the base, adding a whimsical touch.

Product Overview

Charming Desktop Organization

This unique tree stump pen holder combines rustic aesthetic appeal with practical desktop organization. Crafted with a textured bark finish, it provides a stable and decorative home for your writing instruments. The addition of an integrated plush toy creates a whimsical, inviting atmosphere, making it an excellent choice for office desks, study areas, or creative workspaces.
