

# Tube Cutter

This tube cutter is designed for precise and clean cuts on various types of tubing. It features a durable frame, smooth cutting wheel, and ergonomic adjustment knob for ease of use.

## Product Overview

### Professional Tube Cutting Solution

This compact and robust tube cutter is engineered for precision and efficiency, making it an essential tool for plumbing and HVAC professionals. Featuring a durable frame and a smooth cutting wheel, it ensures clean, accurate cuts on a variety of tubing materials. The ergonomic adjustment knob provides superior control and ease of use, even in demanding job site environments.

## Technical Specifications

Model Number	PC-218
Key Features	Compact Design, Durable Frame, Smooth Cutting Wheel, Ergonomic Adjustment

## Applications

### Suitable Industries

- Plumbing
- HVAC
- General Maintenance
- Construction
