

TV Wall Mounting Bracket for 23- to 42-inch Screens

This TV wall mounting bracket is designed to accommodate 23- to 42-inch televisions. It supports a maximum VESA mounting pattern of 400x400mm and is constructed from high-quality steel for a stable mount.

Product Overview

Ultra-Slim Fixed TV Wall Mount

This robust TV wall mounting bracket is engineered from high-gauge cold-rolled steel to securely support screens ranging from 23 to 42 inches. Its ultra-slim design maintains a low profile of just 16mm from the wall, providing a clean and modern aesthetic for any professional or residential installation. The bracket includes a built-in bubble level and a universal hardware pack to ensure a precise and straightforward setup process.
