Product Overview

Efficient Twin Tub Design

This twin tub washing machine is engineered for high-capacity cleaning with a focus on energy and water efficiency. Featuring a durable, anti-rust plastic body and a streamlined, modern aesthetic, it offers both heavy and standard wash cycles to suit various fabric types. Its compact footprint makes it an ideal solution for efficient laundry management in diverse environments.

Technical Specifications

Washing Capacity	7 kg
Spin Capacity	6 kg
Washing Power	320 W
Spin Power	160 W
Product Dimensions	760 x 440 x 890 mm
Net Weight	19 kg
